EXCISE AND TAXATION DEPARTMENT NOTIFICATION

Simla-4, the 9th August, 1965

No. 7-9/63-E&T.—In exercise of the powers conferred by sections 21 and 59 of the Punjab Excise Act (Act No. 1 of 1914), as applied to Himachal Pradesh read with the Himachal Pradesh Excise Powers and Orders, 1959, the following amendments are hereby made in the Punjab Distillery Rules, as applied to Himachal Pradesh, by notification No. Ex. 38-28/52 (1), dated November 27, 1952:—

AMENDMENTS

In the said rules, for rules 13, 17 and sub-rules 11 and 16 of rule 90 the following rules shall be substituted, namely:—

13. The licensee shall agree to the posting of a Government Excise Establishment to his distillery for the purpose of ensuring the due observance of these rules and for watch and ward. The establishment shall consist of an inspector and as many sub-inspectors and peon as the Financial Commissioner shall deem sufficient for the requirements of the distillery. This staff shall be subject to inspection by the Financial Commissioner and the Collector and be under the administration control of the Collector.
17. The licensee shall, when required, permit samples of the materials used or spirit prepared in the distillery to be taken for analysis under the orders of the Collector or the Financial Commissioner, by any officer authorised by them to take samples or the inspector, each sample shall be taken in three bottles, each of the capacity of 750 ml or of any other capacity permissible under the rules or (when the materials cannot, be placed in bottles) in three parcels, in the presence of the licensee or a responsible representative deputed by him for this purpose. Each bottle or parcel shall be immediately and securely sealed in the presence of the inspector and the licensee or his representative. Both of them shall sign a label which shall be affixed to the bottle or parcel and describe the contents thereof as accurately as possible. One bottle or parcel shall then be made over to the licensee's representative, the second shall be sent for analysis and the third retained by the officer concerned pending the disposal of the case.
- 90 (11) It will be unnecessary to take account of the spirit in stock in the matured spirit warehouse monthly as in the case of spirit in the store-room. The stock of spirit in the warehouse will invariably be the total quantity in Proof Litres as shown in the warehouse register in form D-21. The Financial Commissioner and the Collector at their periodical visits should, however, check the quantity of spirit in a few of the casks in the warehouse, and record

the result briefly in the warehouse register in form D-21. Where they find that the deficiency is in excess of the scale prescribed by the Financial Commissioner, they should enquire into the cause and satisfy themselves that no illicit abstraction from the cask has occurred. The inspector will be responsible that the casks, while in the warehouse are not tampered with, unless, in his presence, for necessary repairs, or for examination of spirit by the Financial Commissioner or the Collector, the licensee or his manager.

- 90 (16) The deficiency allowable during the period of storage in the warehouse is calculated according to the scale prescribed by the Financial Commissioner. In the event of the deficiency being in excess of the prescribed scale, the inspector will make a brief report in the warehouse register in form D-21 on the condition of the cask on delivery, i.e. "no apparent cause" in cases where the cask is in an apparently sound condition, and a few brief remarks where such causes as leaks, defective staves broken hoops, porous wood etc., might account for the excess. Any officer specially authorised by the Financial Commissioner to inspect the distilleries in Himachal Pradesh, at his inspections will enquire into the reasons given for the excess, and, if he is satisfied, will initial the inspectors' entry in the warehouse register in form D-21. If he is satisfied that the excess is due to natural or accidental cause he will submit a report, recording his reasons at full length, to the collector so that action for recovery of duty on the excess may be taken under rule 9.102, if necessary.

V. S. SHARMA,
Excise and Taxation Commissioner.
